H. Added Facilities. (Continued)

1. (Continued)

- a. Facilities requested by an applicant which are in addition to or in substitution for standard facilities (such as SCE's standard line and service extension facilities), which would normally be provided by SCE for delivery of service at one point, through one meter, at one voltage class under its tariff schedules, or
- b. A pro rata portion of the facilities requested by an applicant, allocated for the sole use of such applicant, which would not normally be allocated for such sole use.

Added Facilities may include, but are not limited to, all types of equipment normally installed by SCE in the development of its electrical transmission and distribution systems and facilities or equipment related to SCE's provision of service to a customer or a customer's receipt or utilization of SCE's electrical energy. Added Facilities also include the differential costs for equipment for electrical transmission and distribution systems designed by SCE which, in SCE's sole opinion, is in excess of equipment required for SCE's standard serving system. Added Facilities may include poles, lines, structures, fixtures, transformers, service connections, load control devices and meters. However, the installation of meters capable of recording and providing interval data that are in addition to or in substitution for standard meters shall be provided under the provisions of Section J of this Rule. (T)

2. Added facilities will be installed under the terms and conditions of a contract in the form on file with the California Public Utilities Commission. Such contract will include, but is not limited to, the following terms and conditions:

- a. Where new facilities are to be installed for applicant's use as added facilities, the applicant shall advance to SCE the additional installed cost of the added facilities over the cost of standard facilities. At SCE's option, SCE may finance the new facilities.
- b. The following monthly ownership charges are applicable to Added Facilities Contracts with an effective date prior to 1/20/96:
 - (1) Applicants being served by SCE-financed added facilities shall pay a monthly ownership charge of 1.34% of the cost associated with the added facilities.
 - (2) Applicants being served by the Customer-financed added facilities shall pay a monthly ownership charge of 0.38% of the cost associated with the added facilities.

b. (Continued)

(3)

Where existing facilities are allocated for applicant's use as added facilities, the applicant shall pay a monthly charge for the added facilities of 1.34% of SCE's Reconstruction Cost New Less Depreciation value of that portion of the existing facilities which are allocated to the customer as Added Facilities. (I)

c. Monthly Ownership Charge. The following monthly ownership charges include a replacement component into perpetuity and are applicable to Added Facilities Contracts with an effective date on or after 1/20/96:

(1)

Applicants being served by SCE-financed added facilities shall pay a Monthly Ownership Charge of 1.47% for capital and operations and maintenance (O&M) cost components including: rate of return, depreciation rates, administrative and general (A&G) expense, Franchise Fees and Uncollectibles (FF&U), ad valorem tax, insurance, Federal income tax, State income tax, and O&M expense. An included replacement component allows SCE to provide replacement facilities, if needed, at no additional cost to the customer paying the added facilities rate. (I)

(2)

Applicants being served by the Customer-financed added facilities shall pay a Monthly Ownership Charge of 0.51% for capital and operations and maintenance (O&M) cost components including: administrative and general (A&G) expense, Franchise Fees and Uncollectibles (FF&U), ad valorem tax, insurance, and O&M expense. An included replacement component allows SCE to provide replacement facilities, if needed, at no additional cost to the customer paying the added facilities rate. (I)

(3)

Where existing facilities are allocated for applicant's use as added facilities, the applicant shall pay a monthly ownership charge for the added facilities of 1.47% of SCE's Reconstruction Cost New Less Depreciation value of that portion of the existing facilities which are allocated to the customer as Added Facilities. (I)

Where SCE agrees to provide replacement options, Applicant shall pay the following monthly ownership charges:

<u>SCE-Financed</u>		<u>Customer Financed</u>	
<u>With Replacement at Additional Cost</u>	<u>With Replacement for 20 Years at No Additional Cost</u>	<u>With Replacement at Additional Cost</u>	<u>With Replacement for 20 years at No Additional Cost</u>
1.34 (I)%	1.36% (I)	0.38% (I)	0.40% (I)

Under these options, where existing facilities are allocated for applicant's use as added facilities, the applicant shall pay a monthly ownership charge equal to the applicable SCE-financed monthly rate. SCE-financed monthly rate will be applied to SCE's Reconstruction Cost New Less Depreciation value of that portion of the existing facilities which are allocated to the customer as Added Facilities.
