SPECIAL CONDITIONS (Continued)

3. Special MDMA Services: Upon ESP request, SCE may provide special MDMA Services outside the regularly scheduled meter read date on a one-time basis, per request. This will not alter a customer's regularly scheduled meter read date. If the ESP requests a "check read" and the read is determined correct, the ESP will be charged under these services. However, if the read is determined incorrect, the ESP will not be charged.

4. Other Metering Services: Metering services other than those set forth in this Schedule and Rule 22.

5. SCE EnergyManager® Services:

SCE EnergyManager® Suite of Tools is a web-based application that displays customer energy and demand data, and provides usage, cost and bill reporting tools. SCE EnergyManager offers same-day data refresh for a fee on an Hourly or Quarter-Hourly basis. Customers are required to complete the SCE EnergyManager® Hourly and Quarter Hourly Agreement (Form 14-683) for this service.
