

1. Preamble and Applicability

1.1 (Not Used)

1.2 Applicability

The Distribution Provider will provide Distribution Service pursuant to the applicable terms and conditions contained in this Tariff and Service Agreement. The Tariff is applicable for the transportation of capacity and energy that is (1) generated, purchased, or obtained by a Distribution Customer at a generation source or from storage and transported to the ISO Grid using the Distribution Provider's Distribution System, (2) generated or purchased by a Distribution Customer from generation sources or storage and transported from the ISO Grid to the Distribution Customer's Service Area using the Distribution Provider's Distribution System, or (3) generated or purchased by a Distribution Customer from generation sources or storage and transported from the ISO Grid to the Distribution Customer's Resource for its Charging Capacity, using the Distribution Provider's Distribution System. The Tariff is also applicable for delivery to the ISO Grid of any capacity and energy generated or purchased by the Distribution Provider that uses the Distribution Provider's Distribution System. Distribution Service shall be provided between the Distribution Provider's interconnection with the ISO Grid and the Distribution Customer's interconnection with the Distribution Provider's Distribution System. The Distribution Customer shall obtain and pay for Transmission Service from the ISO for such energy and capacity delivered to the ISO Grid or for energy and capacity received from the ISO Grid pursuant to the terms and conditions of the ISO Tariff and the TO Tariff. Service hereunder shall not be available if the Commission would be prohibited from ordering such service under Section 212(h) of the Federal Power Act.
