**PAY AS YOU GROW SPECIAL CONDITION AGREEMENT
SCHEDULES PA-1, PA-2, AND TOU-PA-2**

(T)

I am applying for Southern California Edison Company ("SCE") Pay As You Grow Special Condition in Schedule ____ for the Service Account(s) listed in the attachment to this Agreement.

I understand and agree to the following conditions:

1. The Pay As You Grow Special Condition is available only under this annual Agreement signed on or before February 15 of the initial year of taking service under this Special Condition and is effective as of February 1 if signed on or before February 1 or is effective the date signed if signed February 2 through February 15.
2. The Agreement will stay in effect from year to year, at SCE's option, unless terminated by me, by written notice, on or within 30 days preceding the annual February 1 effective date of the Pay As You Grow Special Condition, in which case, the Agreement will terminate effective February 1.
3. The seasons applicable to the Pay As You Grow Special Condition are defined as the Non-Growing Season of November 1 to April 30 and the Growing Season of May 1 to October 31 each year.
4. For bills rendered during the Non-Growing Season the Customer Charge and the Non-Time Related Component of the Demand Charge or the Service Charge whichever is applicable, billed during the Non-Growing Season will be collected during the Growing Season.
5. SCE will defer the collection of the charges specified in Paragraph 4 during the first three (3) months (February through April) of the term of this Agreement and will collect these charges during the first three (3) months of the Growing Season (May through July) by effectively doubling the charges. Similarly, SCE will collect the charges for the last three (3) months (November through January) of the term of this Agreement during the last three (3) months of the Growing Season (August through October).
6. The Pay As You Grow Special Condition should result in a zero balance for the specified charges on the twelfth month's billing in each year of service under this Agreement.
7. If a zero balance is not reached for the specified charges on the twelfth month's bill, a true-up will take place on that billing.
8. When this Agreement is used in conjunction with Schedule PA-1 and the Off-Peak Credit provision is applicable, the Off-Peak Credit will be deferred and accumulated in the same manner described in Paragraph 5 above such that the credit shall be effectively doubled on bills presented during the Growing Season.

9. No interest will be paid or collected by SCE as a result of the application of the Pay As You Grow Special Condition.
10. This Agreement shall at all times be subject to such changes or modification as the Public Utilities Commission of the State of California ("Commission") may, from time to time, direct in the exercise of its jurisdiction.
11. Notwithstanding any other provisions of this Agreement, SCE has the right to unilaterally file with the Commission, pursuant to the Commission's rules and regulations, an application for a change in rates, charges, classification, service, or rule, or any agreement relating thereto.

In consideration of the above terms, I have executed this Agreement on this _____ day of _____, _____.
