Important please read

Our records indicate that your account has an overdue balance. For assistance or to make a payment, please contact Customer Service at 1-800-950-2356.

To avoid disconnection of your electric service, please pay the past due amount of \$xxx.xx on or before Mmmddy. We are available to help you. You may also be eligible for financial assistance and income-qualified energy assistance programs.

PLEASE NOTE: If your utility service is disconnected for non-payment, there will be additional service charges and you will be required to pay all past due amounts before service is restored. In addition, a deposit may be required to re-establish your credit, whether or not your service is terminated.

Your deposit payment is past due. Please call us immediately if payment has been made. The deposit will not earn interest until it is paid in full. Your service may be scheduled for disconnection if your payment is not received by Southern California Edison before the date shown above. If your utility service is disconnected, a Service Connection charge ranging from \$xx to \$xx may be required.

This notice does not stop disconnection of service for any other unpaid bill. You will not receive any further contact by phone, mail or personal visit. Southern California Edison will determine how payments are applied.

Residential customer deposits will be refunded when all bills are paid before the past due date for 12 months or when you close all of your customer accounts. Non-residential customer deposits will be refunded when all bills are paid before the past due date for 12 months, and/or in the opinion of the company, the conditions of service or basis on which credit was originally established has not materially changed, or you close all of your customer accounts.

Your cash deposit, including interest, will be refunded by applying it to your unpaid bills and/or by check. Interest on the deposit will be earned for each month the bill is paid before becoming past due. Endorsement of a refund check will acknowledge receipt of refund and will release Southern California Edison from further claims against the deposit.

SCE reserves the right to disconnect service remotely without any further notice. To avoid disconnection, your payment must be received before the date shown above.

Did you know you can view your forecasted bill amount, which is updated daily, by logging into your SCE account at www.sce.com? For additional tips, tools and programs that can help you manage your bill, please visit SCE's Energy Management Center at www.sce.com/emc.

FOR YOUR SAFETY

If your service is disconnected, please ensure any sensitive or potentially hazardous equipment is unplugged.
