**SCHEDULED LOAD REDUCTION PROGRAM AGREEMENT  
BETWEEN CUSTOMER AND SOUTHERN CALIFORNIA EDISON COMPANY**

This Scheduled Load Reduction Program Agreement (“Agreement”) is between Customer signing below and Southern California Edison Company (“SCE”) (jointly, the “Parties”) and shall establish the terms and conditions for Customer electing to receive service under Schedule SLRP, Scheduled Load Reduction Program SLRP. Customer shall receive service consistent with all terms and provisions of Schedule SLRP and Customer’s “Otherwise Applicable Rate Schedule”.

This is a filed form tariff agreement authorized by the California Public Utilities Commission (“Commission”). No officer, inspector, solicitor, agent, or employee of SCE has any authority to waive, alter, or amend any part of this Agreement except as provided herein or as authorized by the Commission. This Agreement supplements the terms and conditions of Customer’s electric service provided under Customer’s Otherwise Applicable Rate Schedule and under SCE’s Commission-approved tariffs.

Customer understands and agrees to the terms and conditions in Schedule SLRP, and the following conditions, in accordance with Schedule SLRP:

1. For the term of this Agreement, Customer shall receive service in accordance with Schedule SLRP and Customer’s Otherwise Applicable Rate Schedule filed with the Commission, as such schedules now exist or may hereafter be amended or superseded.
2. Customer understands that Schedule SLRP is a summer-only program, applicable June 1 through September 30 from 8:00 a.m. – 8:00 p.m. on weekdays only, whereby Customer will receive a discount, as specified in Schedule SLRP, in the form of a credit on its bill, for recorded reduced energy during a specified (SLRP) Event, as specified in this Agreement. (T)
3. Customer’s Customer Specific Energy Baseline (CSEB) shall be determined in accordance with Special Condition 3 of Schedule SLRP. (T)
4. Customer’s SLRP commitment for each SLRP Event shall be at least a 15 percent reduction in load, which shall not be less than 100 kW. Customer’s load reduction commitment is specified in this Agreement in Attachment A. Customer must be able to commit to the load reduction as stated in this Agreement for the same time periods and the same days of the week from 8:00am – 8:00pm for each month, June 1 – September 30. If Customer fails to comply with five SLRP Events it shall no longer be eligible for Schedule SLRP for a minimum of 12 months.
5. SCE reserves the right to notify Customer to confirm Customer’s SLRP commitment amount, clarify possible errors, and remove Customer from Schedule SLRP if Customer is non-compliant with the terms and conditions of Schedule SLRP or this Agreement. SCE shall monitor Customer’s on-peak usage to ensure Customer does not shift load during a SLRP Event to another on-peak period. Compliance on this issue will be determined in accordance with Special Condition 4 of Schedule SLRP. (T)
6. This Agreement shall at all times be subject to such changes or modifications by the Commission. (T)

7. This Agreement is executed in accordance with, and is qualified in its entirety by, the terms and conditions of Schedule SLRP, and incorporates Schedule SLRP herein by this reference. To the extent the terms or conditions of this Agreement and Schedule SLRP are consistent or additive, then the terms or conditions of both shall apply. To the extent the terms or conditions of this Agreement and Schedule SLRP are inconsistent, then the terms or conditions of Schedule SLRP shall take precedence.

In witness whereof, the Parties have caused this Agreement to be executed by their duly authorized agents to be effective on the date of SCE's signature below.
