NOTICE OF INTENT TO TRANSFER TO DIRECT ACCESS SERVICE
(DURING THE OPEN ENROLLMENT WINDOW APRIL 16, 2010 TO JULY 15, 2010)

This signed and completed form notifies SCE of your intent to transfer your service account(s) to Direct Access (DA) service during the Open Enrollment Window (OEW), as defined in Rule 22.1.¹ In order to be processed, SCE must receive this Notice of Intent (NOI) no sooner than 9:00 am (PDT) on April 16, 2010, and no later than 11:59 p.m. (PDT) June 30, 2010. Within twenty (20) days of receipt, SCE will notify you of the status of your NOI. If your NOI has been accepted, the confirmation notice from SCE will specify the date by which your Energy Service Provider (ESP) must submit a Direct Access Service Request (DASR) to SCE in order to transfer your service account(s) to DA service. This is important information that you will need to provide to your ESP to complete your request. If SCE does not receive a DASR by the specified date(s), your service account(s) will **not** be transferred to DA service and this NOI will be voided.

In the event the 2010 Load Cap for DA Service has been met and the waiting list has been fully subscribed² at the time SCE receives your NOI, your NOI will be rejected and your service accounts will not be eligible to transfer to DA Service during the OEW.

At the time your account(s) transfers to DA service, you will be responsible for paying the applicable components of the DA Cost Responsibility Surcharge, as defined in Schedule DA CRS. Customers whose service account(s) transfer to DA Service as a result of an NOI received by SCE prior to July 1, 2010, will be responsible for paying the 2009 vintage DA CRS.

Please consider this my notice of intent to transfer the service account(s) listed below to DA service. I understand the rules and conditions as set forth in all applicable SCE tariffs, including but not limited to Rule 22.1.
