**Six-Month Advance Notice to Transfer to
Community Choice Aggregation Service Outside of Automatic Enrollment**

[Insert Free Form Message Statement Here If Applicable]

This completed form notifies Southern California Edison (SCE) of your intent to transfer your account(s) to Community Choice Aggregation (CCA) service outside of Automatic Enrollment. SCE must receive this notice at least six months in advance of the date you intend to transfer to CCA outside of Automatic Enrollment. Once received by SCE, you will 1) have a three business-day rescission period after which this notification cannot be canceled, and 2) receive confirmation of your notice to transfer to CCA in accordance with the provisions established in Rule 23. The confirmation will specify the date that your Community Choice Aggregation (CCA) Service Provider (CCA Provider) must submit a Community Choice Aggregation Service Request (CCASR) to SCE in order to transfer your account(s). This is important information that you will need to provide to your CCA Provider to complete your request. This date is significant because if SCE does not receive a CCASR by that date, your six month advance notice to transfer to CCA Service will be canceled and the account will not be eligible to switch to CCA Service or Direct Access (DA) Service until a twelve (12)-month commitment term has been fulfilled. The account will bill on Schedule PC-TBS, *Procurement Charge – Transitional Bundled Service*, for six months, after which it will be placed on Bundled Portfolio Service (BPS) for the remaining 6 months of the 12-month commitment term, and will be served on BPS unless and until you provide SCE notice to transfer to DA Service or CCA Service, as applicable. Service on Schedule PC-TBS will count toward the 12-month minimum commitment with SCE, consistent with Rule 23.

Please consider this my notice to transfer the account(s) listed below to CCA service after my BPS commitment expires. I understand the rules and conditions as set forth in SCE Rule 23.¹
