The following terms and conditions relating to the re-establishment of credit will not apply until further notice to residential and Small Business Customers:

(T)

1. An applicant who previously has been a customer of SCE and whose electric service has been discontinued by SCE during the last twelve months of that prior service because of nonpayment of bills or Summary Bill(s), may be required to re-establish credit by depositing the amount prescribed in Rule 7 and Rule 22 for that purpose, and by paying electric bills or Summary Bill(s) regularly due; except, an applicant for domestic service will not be denied service for failure to pay such bills for other classes of service.

This rule will apply regardless of whether or not service has been discontinued for such nonpayment.

5. Where the residential customer service disconnection practices ordered per D.12-03-054 require SCE to waive otherwise applicable customer deposits, SCE may require a deposit from residential customers who have written three or more bad checks within one year and from customers involved in fraud.
