

SCHEDULE ESC-00  
EDISON SMARTCONNECT  
OPT-OUT

Sheet 1

APPLICABILITY

This Schedule is available to residential customers who do not wish to have a wireless, communicating meter, known as an Edison SmartConnect® meter, installed at their Premises (hereafter, "Opt-Out Customers"). Under this Schedule, Opt-Out Customers shall receive an analog meter, or a non-analog, non-smart digital meter when electing to receive service under a rate schedule or program that does not support an analog meter. Customers taking service on this schedule are not eligible for the Smart Energy Program Incentive.

(T)

TERRITORY

Within the entire territory served.

RATES

All charges and provisions of the customer's Otherwise Applicable Tariff (OAT) shall apply, except that Opt-Out Customers who elect this option will be charged, as follows:

For Non-CARE customers per Premise:

Initial Fee	\$75.00
Monthly Charge	\$10.00/month

For CARE customers per Premise:

Initial Fee	\$10.00
Monthly Charge	\$ 5.00/month

Charges will be applicable following the meter exchange. Where a meter exchange is not required, charges will be applicable following affirmative election of the Opt-Out option by the customer. The Monthly Charge will be applicable for a period of three years from the date the customer elects to Opt-Out.

SCHEDULE ESC-00  
EDISON SMARTCONNECT  
OPT-OUT  
(Continued)

Sheet 2

SPECIAL CONDITIONS

1. Metering Equipment: An analog meter will be used as the Opt-Out meter for customers who elect this Schedule. For customers electing service on a rate schedule or program which an analog meter does not support, or have property access or other issues that do not allow for manual meter reads, a non-analog, non-smart meter will be used as the Opt-Out meter for customers who elect this Schedule. In addition, upon request an analog meter will be provided to customers who request an analog meter and who address any property access issues. This Schedule is subject to meter availability.
2. Time-of-Use: The following residential Schedules require time-of-use metering: TOU-D, TOU-D-T, TOU-D-TEV, TOU-EV-1, and CPP. Customers served under these Schedules may elect to opt-out of their Edison SmartConnect meter and take service under any non-time-of-use residential schedule for which they are eligible. Alternatively, customers may remain on their current time-of-use rate schedule and choose to elect service under this Opt-Out Schedule using a non-analog, non-smart digital time-of-use meter.
3. Billing: Opt-Out Customers will be charged the Initial Fee and the Monthly Charge described in the Rates section above. Opt-Out Customers will be required to pay the Initial Fee within 90 days. SCE may remove a customer from participating in this Opt-Out Schedule if the customer fails to pay the Initial Fee within 90 days of installation of the opt-out meter. In addition, all charges will be subject to the terms and conditions under Rule 8-Notices, Rule 9-Rendering and Payment of Bills, and Rule 11-Discontinuance and Restoration of Service.
4. Estimated Meter Reading: Beginning March 1, 2016, SCE will provide bills based on estimated meter reads on a bi-monthly basis (i.e., every two months). Estimated meter reads will be based on the prior months' daily average usage, and will be used for billing purposes in accordance with Rule 17.A. Actual meter reads will occur every other month. (T)
5. Opt-Out Provisions:
  - a. Opt-Out Election: A customer must affirmatively elect to opt-out of the Edison SmartConnect meter to obtain service under this Schedule. Customers shall default to Edison SmartConnect meter-based service absent such an election. Customers who do not provide reasonable access to their meter or affirmatively prevent the installation of a Edison SmartConnect meter shall be deemed to have elected this Opt-Out Schedule.
  - b. Frequency of Election: A customer may only enroll in this Schedule once per twelve-month period at the same residence.
  - c. Opt-In Election: At any time, Opt-Out Customers may opt back into electric service with a Edison SmartConnect meter.
  - d. Local governments and entities such as condominiums and other multi-unit dwellings are not allowed to exercise the Opt-Out option on behalf of individual residents.
