RE: Tenant Rights

Dear Tenant:

The electric, gas and/or water service account for the above mentioned service address is past due and may be subject to termination after 10 days. If you are a tenant and your landlord has been paying your electric, gas and/or water bill on your behalf, you have the right to become the customer of record on this account, and have service billed in your name without paying any past due amounts on the account. If you would like to do so, please contact SCE at 1-800-655-4555. You may be required to verify that you are a tenant and that your rent includes the payment of electric, gas and/or water service, which may include a request for a lease or rental agreement, rent receipts, or a government document indicating that you are renting the property at the above mentioned address. You may also be required to provide a service establishment deposit and fee.

Sincerely,

Southern California Edison
